

Windrush Health Centre

Website Feedback Form

We have re-designed our website to make it easier for you to use and to provide more helpful information. Would you mind giving us your opinion on its usefulness by grading the website from 1 (poor) to 4 (Excellent) in the following three questions:

Q.1 How easy do you find the website to use?

1 2 3 4

Would you like to comment on your score?

Q.2 How would you rate the information provided about the Windrush Health Centre?

1 2 3 4

Would you like to comment on your score?

Q.2 How helpful is the other information on the website?

1 2 3 4

Would you like to comment on your score?

Is there any other information you would like to see on the website?

Please note that this form is only for general comments about our website. We regret that we cannot respond to medical or technical questions via this form. If you have a question about a medical problem. Please contact the surgery (01993 702911)

Please take this form to the surgery on your next visit
